President's Message

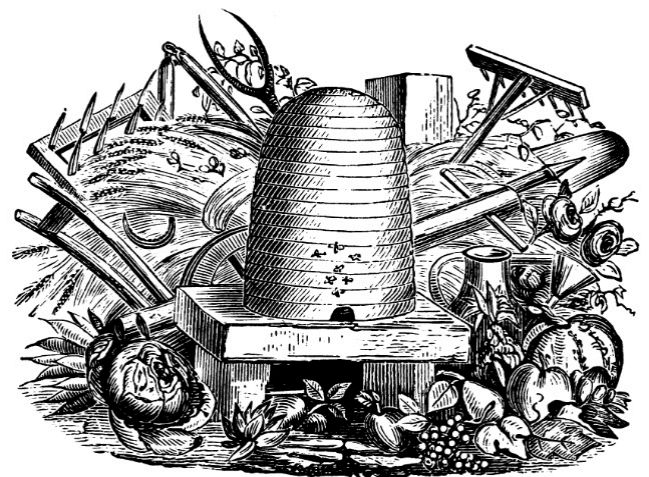

On behalf of the Beeton and District Agricultural Society, I would like to welcome you to the 168th Beeton Fall Fair.

In the last couple of years we have had to make some changes to our fair, like many other fairs have had to do following Covid. Mechanical rides have become almost impossible to find and so we have needed to make some changes to our midway. We took a big chance last year and brought in a bouncy castle and interactive games for both the young and old. It was a huge success. Therefore, we are doing the same thing again this year, along with the addition of some mechanical rides.

And last but not least, I would personally like to thank all of our members, volunteers, exhibitors and sponsors for all of your time and hard work. Without you this simply wouldn't or couldn't be possible. It has been both an honour and a privilege as president to work with all of you. Thank you all so much.

See you all in September!

Sincerely
Roger Findlay, President

In Memoriam

It is with a deep sense of loss and regret that we continue to recognize our deceased member and friend of the Beeton & District Agricultural Society.

Lori Cook – April 30, 2024.
Lori was a long-time member of the fair.

Homecraft President for 2024

President: Michelle Woodward 905-909-7238

This year marks our 168 th year of the Beeton Fall Fair. On behalf of the Homecraft Division, I welcome all exhibitors (new and previous), friends, and visitors to join us this year as we celebrate our Country Memories themed fair.

Our Homecraft Division is made up of dedicated Convenors and many volunteers. It's through the hard work and dedication of these volunteers, the directors, the executive, and most importantly the many exhibitors to make the Beeton Fall Fair Homecraft Division a success.

The theme of "Country Memories" has been incorporated into many of the different homecraft categories. I hope as you browse through the categories, you find at least one section that you would like to participate in. Maybe you have your grandma's secret cookie recipe, or your mom's jam recipe. Maybe you have an interest in flowers or you have a vegetable garden? Maybe you have an interest in art or photography. A knack for quilting or knitting. Whatever interests you, we might just have a section that you can enter. There are many categories you can enter, and you might just win! Imagine bragging that your jam won a first-place ribbon at the Beeton Fall Fair?

Homecraft is truly an integral role of a small country fair, and we encourage you to stop by the arena Friday evening or during the day Saturday to check out the exhibits that community members and local schools have entered that are proudly on display in the arena.

If you have an interest in volunteering in the Homecraft division, please reach out to our fair office.

The Homecraft division hopes you enjoy your visit to the Beeton Fall Fair this year. Good luck to all our exhibitors!

Sincerely
Michelle Woodward, Homecraft President
Beeton & District Agricultural Society

The overall purpose of the Beeton & District Agricultural Society is to serve and participate in the interests and needs of the community and to strongly promote our agricultural background. Accordingly the Board of Directors of the Beeton & District Agricultural Society are seeking support from the members of the community.

Our main showcase is our annual Fall Fair. Fairs are and have been a part of rural Canada for many years. This meeting place provided for the community invited people to visit each other and to rediscover their heritage and community of yesterday and today.

The goal of the Beeton & District Agricultural Society is to present agriculture in a manner that is both educational and entertaining to all ages of fair-goers. The competitive element embraced for many years in exhibiting is retained. This makes the fair more meaningful for everyone and ensures that top quality products and livestock are showcased. The country fair continues to improve the quality of life in Ontario, and is an aspect of our community as important as any other function.

We remind individuals and corporations of the objectives of the Beeton & District Agricultural Society and outline ways in which you may help.

► **How is it operated and financed?**

Community minded individuals, small businesses, corporations, service clubs, volunteers, municipal grants, and Ministry of Agriculture, Food and Rural Affairs grants and fund raising events.

► **How can you help?**

Become a partner of the Fair. After becoming a partner of the Fair you or your firm will enjoy the recognition of the community and fair-going public. The satisfaction of participation in the growth and development of your community will offer untold rewards for you.

► **Recognition**

Your name or business name will appear in the 2025 event schedule, our local papers as corporate sponsors and in our 2025 Fair Guide.
